 - A. Trawling
 - B. Long lining
 - C. Lampara method
 - D. Gill netting

PART II

MAPWORK, PHOTOGRAPHIC INTERPRETATION, FIELDWORK AND EAST AFRICA

*Answer **FOUR** questions from part II, including questions 1, 2, and 3 which are compulsory.*

SECTION A.

1. COMPULSORY QUESTION: MAPWORK.

(20 MARKS)

Answer **all** parts of this questions.

Study the **EAST AFRICA 1:50,000 UGANDA: BULISA** Map extract part of sheet 29/4 series Y732 Edition 3-U.S. D and answer the questions that follow.

- (a) (i) State the grid reference of the borehole at Kibambura. (01mark)
- (ii) Name the man -made feature found at grid reference 232376. (01mark)
- (b) (i) Calculate the area covered by Lake Albert South of Northings 40. (02marks)
- (ii) What is the bearing of Bulisa Road Junction from the Air photo principal 07 north of Kasenyi. (02 marks)
- (c) Draw a sketch map of the area shown on the map extract and on it mark and name;
 - (i) Lake Albert
 - (ii) All weather loose surface road
 - (iii) Papyrus swamps
 - (iv) Wild life conservation area.

- (v) County boundary. (07marks)
- (d) Describe;
 - (i) Relief of the area. (04 marks)
 - (ii) Relationship between Relief and Drainage. (03marks)

2. COMPULSORY QUESTION: PHOTOGRAPHIC INTERPRETATION (15 MARKS)

Study the photograph provided below and answer the questions that follow.

- (a) Draw a land scape sketch of the area shown on the photograph and on it mark and name;
 - (i) Highland area
 - (ii) Road and Bridge
 - (iii) Drainage feature
 - (iv) Cultivated area. (06 marks)
- (b) Identify any three land use types shown in the photograph. (03marks)
- (c) Giving evidence from the photograph, explain the problems faced by people living in the area shown on the photograph. (04 marks)
- (d) Giving a reason for your answer, name any **one** area in East Africa where the photograph could have been taken. (02marks)

3. COMPULSORY QUESTION: FIELD WORK.

(15 MARKS)

Answer all parts of this questions

For any **one** field work study you have conducted **either** as an individual **or** a group;

- (a). State the;
 - (i) Topic, (01 marks)
 - (ii) Objectives, of the study. (03 marks)
- (b). Describe how you used any **two** of the following methods to collect data in the field.
 - (i) Observation
 - (ii) Measurement
 - (iii) Recording
 - (iv) Interviewing. (04 marks)
- (c). Draw a sketch map of the area studied and on it mark and name;
 - (i) Physical features
 - (ii) Man made features. (04 marks)
- (d). Outline the geographical relations of your study. (03 marks)

SECTION. B

EAST AFRICA (20 MARKS)

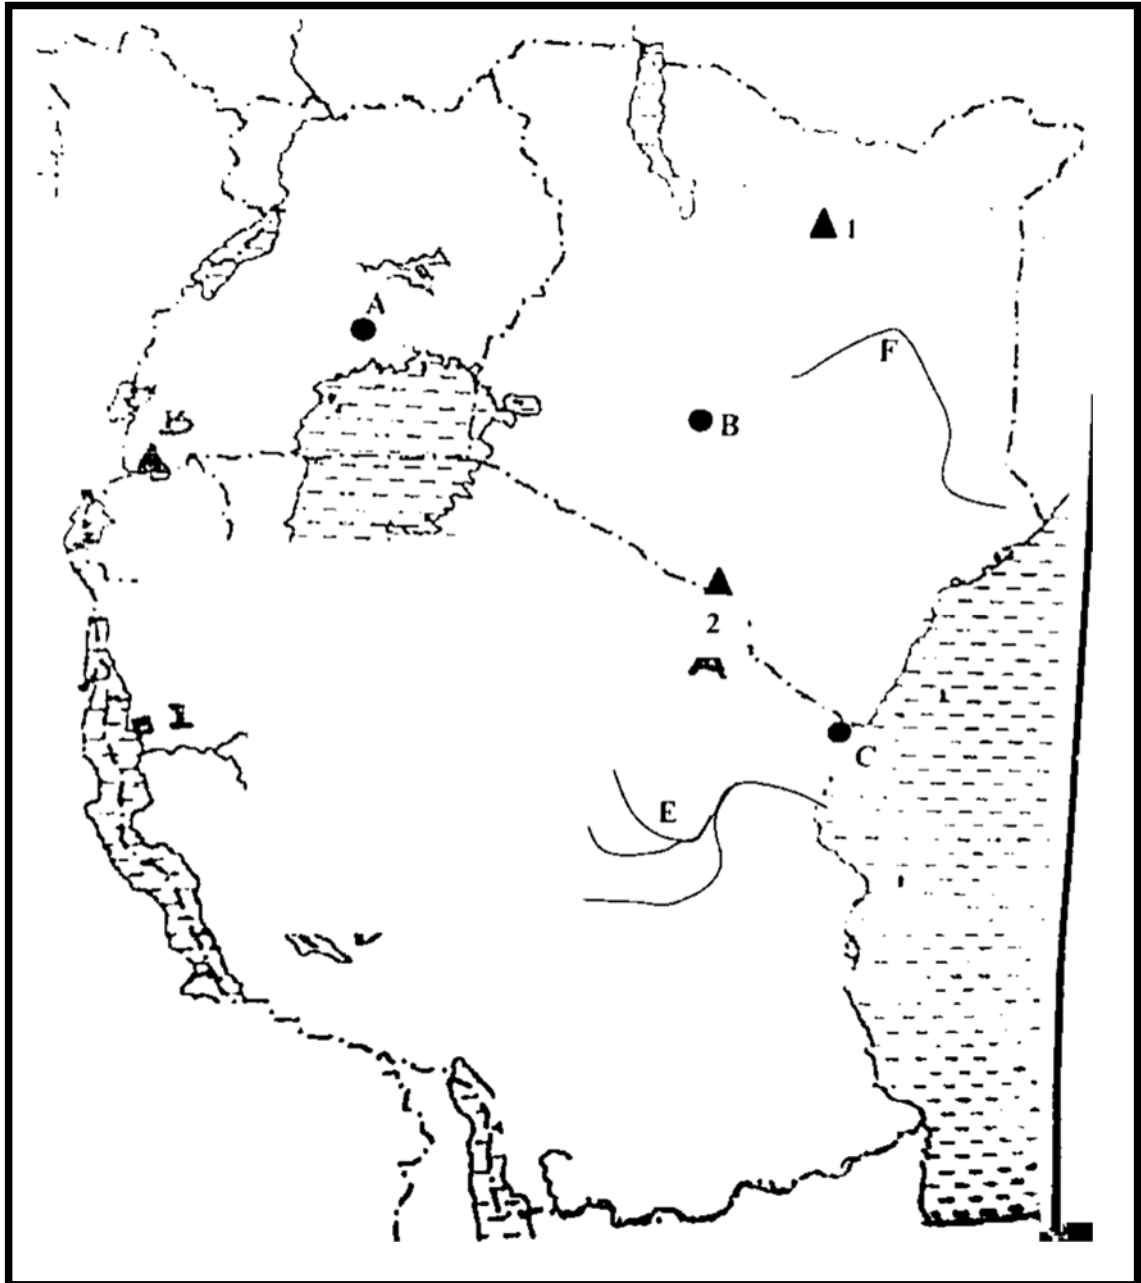

Answer only ONE question from this section

4. Study the table below showing Uganda's population living in urban centres by 2010 and answer the questions that follow;

Region	Urban population
Central	1,200,000
Eastern	320,000
Northern	170,000
Western	220,000
Total	1,910,000

- (a). Draw a pie – chart to show the population living in urban centres. (06 marks)
- (b). Explain the factors which have led to development of urban centres in East Africa. (06 marks)
- (c). Outline the;
 - (i) Problems resulting from the development of urban centres in East Africa. (04 marks)
 - (ii) Steps being taken to solve the problems above in (c) (i). (04 marks)

- 5(a)(i) Name the **major** crop grown on Kilombero irrigation scheme. (01 marks)
(ii) Name any other **four** irrigation schemes in East Africa. (04 marks)
- (b). Describe the factors which favored the location of the Kilombero irrigation scheme. (06 marks)
- (c). Explain the contribution of the irrigation scheme to the people living in the area. (05 marks)
- (d). Outline the problems which have resulted from the establishment of the scheme. (04 marks)
- 6. Study the map of East Africa below and answer the questions that follow.**

- (a) Name the;
- (i) Towns A, B and C. (03 marks)
 - (ii) Mountains; 1 and 2. (02 marks)
 - (iii) Rivers; E and F. (02 marks)
- (b) Describe the processes that led to the formation of mountain marked 2 in Tanzania. (05 marks)
- (c) Explain the importance of mountains to the people of East Africa. (04 marks)
- (d) Outline the problems faced by people living in mountain areas of East Africa. (04 marks)
- 7a) Draw a sketch map of East Africa on it mark and name:
- (i) Any **one** forested area in each country.
 - (ii) Towns; Kampala and Dar -es- salaam.
 - (iii) The Equator. (06 marks)
- b) Explain the conditions that have led to extensive natural forest destruction in East Africa. (05 marks)
- c) Outline the effects of forest destruction on the physical environment in East Africa. (05 marks)
- d) Suggest ways through which areas under forest cover can be expanded in East Africa. (04 marks)
